Questions for Your Teachers

Parents please email questions you may have for your teachers, do not approach them between classes (they are focused on teaching your students at that time!)

Trash

Please help us keep our lovely studio building clean and in good order both inside and out by using the trash cans in the studio bathroom.

WATER....WATER...WATER

The faucet water at the studio is NOT POTABLE
(Do not drink water from faucet, it is for commercial purposes only)

So Please Remember...Bring plenty of water to class.

If you forget, bottled water is for sale at the studio for \$1 per bottle.

...Water that comes with you, is water that leaves with you! Please remember to take home your water bottle.

NO FOOD POLICY

We do not have kitchen facilities at the studio so NO FOOD is allowed in the building. Please eat, or snack before coming into the building. Also, please make sure to take food trash home with you so that we eliminate food odor and do not attract insects.

LOST PROPERTY

Lost property is kept in the either in the bathroom. Due to the smell from sweaty clothes and dance shoes, lost property will only be kept at the studio until the end of each month so be sure to check for missing items before then as we do not know if it has been there for a month or a day.

On the 1st of each month items will be disposed of.
